MEMORANDUM FOR: ADVISOR FOR MANAGEMENT, CIA

SUBJECT: Tables of Organization for Projects.

1. In accordance with our phone conversation yesterday, there is attached a copy of OPC Regulation No. 50-14, subject as above. The attached regulation was concurred in by the Acting Chief of the Special Support Staff prior to dissolution of that Staff.

2. A limited number of OPC projects require a few personnel for duty in the U. S. (Washington or elsewhere) who will work exclusively on individual projects. An example now being considered by this Office is a Table of Organization for Project [redacted]. It is understood from our conversation referred to above that OPC may approve the Tables of Organization for all OPC projects, subject only to the concurrence of the Wage and Salary Administration Branch of the Personnel Division. This includes those projects requiring limited numbers of personnel for duty in this country, provided the duties of such personnel are not departmental in nature.
